2. Mr. A. R. Wadia will be the President of the reconstituted Committee.

By Order,
M. VENKATESA IYENGAR,
Secretary to Government,
General Department.

DEVELOPMENT SECRETARIAT

No. L. 1691—V. P. 11-36-34, dated 29th August 1936.

Under Section 48 (1) of the Land Acquisition Regulation No. VII of 1894, as amended from time to time, the Government of His Highness the Maharaja of Mysore are pleased to withdraw from the acquisition of 20 guntas of land in Survey No. 421 of Mayasandra village, Turuvekere Sub-Taluk, sanctioned for dumping manure in Notification No. L. 6755—V. P. 12-35-66, dated 4th March 1936, as the said land is reported to be unsuitable for the purpose.

No. G. 1455—Ft. 31-36-2, dated 14—29th August 1936.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st October 1936 the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Village	Area of the block	Name of the block	Remarks
Kolar	Bagepalli	Gulur	Gorthapalli Sajjapalli	A. g. 1,551 87 or 2-42 sq. miles.	Gorthapalli Block.	Situation.—This block is situated at a distance of about 20 miles north-east to Bagepalli Town near Mysore-Madras Frontier.

Boundaries.

North.—Starting from the tri-junction of Survey Nos. 235, 227 and 220 of Gorthapalli village the line runs south-east for 23 chains through Survey No. 220 of the same village to the junction of two hallas running into Kotayshanakunte meet; then slightly south-west along the halla to the north-west corner of the said kunte; then in the same direction and slightly north-east along the western and southern boundaries of the same kunte to its south-east corner; then north-east for 8 chains and joins a point 7 chains west from the north-west corner of Survey No. 203; then runs south-east for about 22 chains to the south-west corner of Survey No. 202; then in the same direction for 20 chains through Survey No. 220 to the southernmost corner of Survey No. 201 of the same village; then in the same direction for about 47 chains through Survey No. 194 to the southernmost corner of Survey No. 193; then north-east along the southern boundary of Survey No. 193 to its south-east corner; then in the same direction for about 52½ chains through Survey No. 159 to the south-west corner of Survey No. 158; then in the same direction along its southern boundary to its south-east corner; then slightly north-east through Survey Nos. 157 and 146 for about 67 chains to the southernmost corner of Survey No. 145; then in the same direction through Survey No. 140 for about 17 chains to the south-west corner of Survey No. 142; then running along the southern boundary of Survey No. 142 joins its south-east corner; then runs along the southern boundary of Survey No. 139 to its south-east corner.

East.—The line then turns slightly south-east along the western boundary of Survey No. 132 to its south-west corner on the frontier; then south-west, south-east and again south-west along the Mysore-Madras Frontier for about 154 chains till it meets the north-east corner of Survey No. 34 of Sajjapalli village.

South.—The line then turns north-west and runs through Survey No. 185 of Sajjapalli for about 44 chains to the north-east corner of Survey No. 20; then in the same direction through Survey No. 185 to the north-east corner of Survey No. 19; then in the same direction along its northern boundary to its northernmost corner; then slightly north-west through Survey No. 185 for about 25 chains to a point on the northern boundary of Sajjapalli about 5 chains north-east from the north-western corner of Survey No. 10 of Sajjapalli; then in the same direction for about 5 chains through Survey No. 159 of Gorthapalli to a point about 5 chains north-west from the north-west corner of Survey No. 10 of Sajjapalli; then south-west through Survey No. 159 of Gorthapalli and Survey No. 185 of Sajjapalli for about 73 chains to the south-east corner of Survey No. 184 of Sajjapalli; then north-west through the last named survey number for about 31 chains to a point about 20 chains north-east of the north-east corner of Survey No. 96; then the line runs north-east through Survey No. 184 for about 17 chains to a point about 26 chains slightly south-east of the easternmost corner of Survey No. 181; then the line runs north-west through Survey No. 184 of Sajjapalli and 194 of Gorthapalli for 36 chains to a point about 5 chains east from the north-east corner of the new cultivation in Survey No. 194; then the line takes a long curve and runs north-west, west and south westerly direction through Survey No. 194 of Gorthapalli for about 45 chains from the last named point to a point on the common boundary between Gorthapalli and Sajjapalli about 20 chains north-west of the westernmost corner of Survey No. 183 of Sajjapalli; then south-west through Survey Nos. 184 and 173 of Sajjapalli for about 44 chains to a point about 26 chains north-east from north-east corner of Survey No. 171 of Sajjapalli.

West.—The line then turns slightly north-east and runs in a straight line for about 78 chains through Survey No. 173 of Sajjapalli and Survey No. 235 of Gorthapalli till it meets the starting point.

The following concessions are admitted in the Block:—

(A) Right of way all the year round.—

1. Foot-path 12' wide and 4 chains long for men and cattle only to go to Bingasaralukunte in Survey No. 157 of Gorthapalli Village for watering. This enters the State Forest in the northern boundary about 32 chains east from the south-east corner of Survey No. 158 of Gorthapalli Village and runs south-east to the kunte.
2. Foot-path 12' wide and $3\frac{1}{2}$ furlongs long for men and cattle only to go to Akkam-magarudone in Survey No. 146 of Gorthapalli village for watering. This starts from Bingasarlu kunte of item 1 and runs south-east through Survey Nos. 157 and 146 of the said village to the done.
3. Cart-track from Gorthapalli to Guttapalya 12' wide and 4 furlongs long for men, cattle and carts. This enters the forest in the northern boundary about 10 chains south-east from the southernmost corner of survey No. 201 of Gorthapalli village and runs south through survey No. 194 of Gorthapalli and survey No. 184 of Sajjapalli village and quits the forest in its western boundary about 5 chains south from Mutharayanagudi.
4. Cart-track from Gorthapalli to Sajjapalli 12' wide and $6\frac{1}{2}$ furlongs long for men, cattle and carts. This branches off from foot-path of item No 5 in survey No. 159 of Gorthapalli village and running along Amatagur cart-track for $4\frac{1}{2}$ furlongs turns south and quits the forest in the southern boundary in the middle of the northern boundary of survey No. 19 of Sajjapalli village.
5. Foot-path from Gorthapalli to Sajjapalli 6' wide and $4\frac{1}{4}$ furlongs long for men and cattle only. This enters the forest in the northern boundary about 10 chains north-east from the south-east corner of Survey No. 193 of Gorthapalli village and runs south-east through Survey No. 159 of the same village and quits the forest in the southern boundary on the common boundary between Gorthapalli and Sajjapalli villages at a point 5 chains north-east from the north-west corner of survey No. 10 of Sajjapalli.
6. Foot-path 12' wide and $2\frac{1}{4}$ furlongs long to go to Rangareddi kunte in Survey No. 159 of Gorthapalli village for men and cattle for watering. This path starts from the Gorthapalli-Sajjapalli foot-path (item No. 5) where Amatagur cart track branches off and running south-east for about 16 chains joins the kunte and runs south from the kunte and quits the forest where the said foot-path of item No. 5 leaves the forest.

(B) Other concessions.—

1. The raiyats of Gorthapalli and Sajjapalli and its suburbs are permitted to remove from the State Forest all the year round dry fuel and Bode grass free by head loads for their *bona-fide* domestic consumption.
2. Right of way to Mutharayanagudi in Survey No. 194 of Gorthapalli 6' wide and 4 chains long for men only throughout the year for worshipping.
Access to this Gudi is from the Gorthapalli-Guttapalya cart-track.
3. Right of way to Akkammagaru Gudi in Survey No. 146 of Gorthapalli 6' wide and 35 chains long for men only throughout the year for worshipping.

This starts from Akkammagaru Done in Survey No. 146 of Gorthapalli and runs south for about 35 chains and meets the above Gudi.

~~No. G. 1462—Ft. 33-35-3, dated 15-29th August 1936.~~

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from ~~the 1st~~ 1st October 1936 the area, the boundaries of which are set forth in the undermentioned schedule shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Name of villages	Area	Name of block	Remarks
Kolar	...	Bagepalli	Chelur Pemmaigaripalli Hosahudya Peddarajapalli Gundlapalli Chigatagalutta Venkatapura	A. & G. 1,372.27 or 2.14 Sq. miles.	Chigatagal- gutte block.	Situation The block is situated at a distance of about 20 miles east to Bagepalli Town on Bagepalli-Chelur Road, i.e. half a mile west to Chelur village.

Boundaries.

North.—Starting at a point 5 chains south-west from the southern junction bondh of Survey Nos. 22 and 23 of Gundlapalli Village, the line runs south-east through Survey No. 26 of that village parallel at a distance of 5 chains to the southern boundaries of Survey Nos. 23, 24 and 25 of Gundlapalli village for a distance of 24 chains and meets a point 5 chains south-east from the south-east corner of Survey No. 25 of the said village, then runs north-east through the same Survey No. 26 of Gundlapalli and 89 of Venkatapura for 51 chains touching 2 points parallel to easternmost and north-eastern bondhs of Survey No. 25 at a distance of 5 chains to the south-west corner of Survey No. 90 of Venkatapura village; and then runs south-east for 48 chains in Survey No. 91 of Venkatapura and 34 of Pemmaigaripalli villages to the north-west corner of Survey No. 32 of the latter village; then in the same direction for 23 chains along the western boundary of the same Survey number, to the north-west corner of Survey No. 28 of Pemmaigaripalli village.

East.—The line then turns south-west and runs for about 17 chains in Survey No. 33 of Pemmaigaripalli village to a point 5 chains north-west from the north-west corner of Survey No. 28 of the same village; then in the same direction through Survey No. 35 of the same village for 40 chains running parallel to the northern boundaries of Survey Nos. 24, 23 and 22 at a distance of 5 chains to each, to a point 5 chains west from the westernmost corner of Survey No. 22, then slightly south-east through the same Survey No. 35 of Pemmaigaripalli village for 13 chains, to a point on the common boundary between Survey Nos. 35 and 38 at a distance of 5 chains slightly north-west of the north-west corner of Survey 36, then south for about 10 chains through Survey No. 38 to the south-west corner of Survey No. 36 (Tank); then east along the southern boundary of Survey No. 36 to its south-east corner; then turns south west and runs for about 5 chains and joins the south-west corner of Survey No. 37 of Pemmaigaripalli, then turns south and runs for about 17 chains and meets the south-west corner of Survey No. 13 of the said village; then runs slightly south-east for about 29 chains along the southern boundary of said Survey No. 13 of the same village to its south-east corner, then runs slightly south-east for about 7 chains and south-west for about 56 chains along the western boundaries of Survey Nos. 39, 42, 43 and 44 of Chelur village and 170 of Hosahudya village and meets the south-west corner of the last named Survey number; then south-west along the western boundary of Survey No. 164 of Hosahudya village for about 8 chains to a point at a distance of 5 chains north-east from the north-east corner of Survey No. 165 of Hosahudya village.

South.—The line then runs slightly north-west for about 53 chains through Survey Nos. 169 and 168 of Hosahudya and Survey No. 72 of Peddarajapalli villages parallel to the northern boundaries of Survey No. 165 and 166 of Hosahudya village and Survey No. 74 of Peddarajapalli at a distance of 5 chains to the north of these Survey Numbers and comes to a point 9 chains north-east from the north-west corner of Survey No. 74 of Peddarajapalli village; then runs north for 9 chains and west for 11 chains at a distance of 5 chains to the eastern and northern boundaries respectively of Survey No. 73 of the said village to a point at a distance of 6 chains due north-east from the north-west corner of the same Survey No. 73.

West.—Then turns north-west and runs for about 40 chains through Survey Nos. 72 of Peddarajapalli and 25 of Chigatagalutte villages and comes to a point at a distance of 6 chains due north-east from the north-east corner of Survey No. 67 of the said village; then slightly south-west through Survey No. 25 for about 14 chains to a point 5 chains north-east from the easternmost corner of Survey No. 28 of Chigatagalutte; then runs north-west for about 48 chains through the same Survey No. 25 of the same village and joins a point 5 chains due north-east from the north-east corner of Survey No. 24 of the same village; ~~the line then runs north-east for about 28 chains through the same Survey No. 25 of Chigatagalutte village and meets the trijunction bondhs of Chigatagalutte, Peddur and Gundlapalli villages and runs further north-east through Survey No. 33 of Gundlapalli village for about 48 chains and joins the starting point.~~

The following rights of way and other concessions are admitted in the State Forest throughout the year:—

1. Foot-path from Hosahudya to Pemmaigaripalli, 12' wide and about 1½ miles long running north and north-east through Survey No. 168 of Hosahudya, Survey Nos. 46 and 47 of Chelur and Survey No. 38 of Pemmaigaripalli village open for men and cattle. It enters the forest in the southern demarcation line at a point about 9 chains north-west from the north-east corner of Survey No. 166 of Hosahudya village and quits the forest in the eastern boundary at the south-west corner of Survey No. 37 of Pemmaigaripalli village.

2. Foot-path to the two springs Yarrappana Chilume and Mathana Chilume in Survey No. 35 of Pemmaigaripalli village, 12' wide and about 3 furlongs long open for men and cattle. This enters the forest on the eastern demarcation line about 5 chains north-west from the north-west corner of Survey No. 36 of Pemmaigaripalli village and goes north-west to Yarrappana chilume and then north-east to Mathana chilume.

3. Foot-path from Peddarajapalli to Chelur to approach Survey Nos. 68, 69 and 70 of Peddarajapalli under cultivation, 12' wide and about $1\frac{1}{4}$ miles long open for the owners of these survey numbers and their men and cattle. This enters the forest on the western demarcation line in Survey No. 72 of Peddarajapalli at a distance of 22 chains slightly north-west from the north-west corner of Survey No. 78 of the same village, and runs north-east through that and Survey No. 71 of the said village and east and south-east through Survey Nos. 47, 48, 51, and 40 of Chelur village and quits the forest on the eastern demarcation line at a point about 14 chains north-east from the north-west corner of Survey No. 42 of the same village.

4. Foot-path 12' wide to the 3 springs Cheluva Eranna chilume, Chapoda chilume and Mallannagaru chilume in Survey No. 72 of Peddarajapalli village for men and cattle for watering. This enters the forest in the southern demarcation line at a point about 9 chains north-east from the north-west corner of Survey No. 74 and runs north-east for $2\frac{1}{4}$ furlongs to the three springs.

5. Foot-path to the three springs Puttappana chilume and Muthappana chilume in Survey No. 91 of Venkatapura village, 12' wide and one furlong long for men and cattle for watering. This enters the forest in the northern demarcation line from the south-east corner of Survey No. 90 of Venkatapura village and runs south to the three springs.

6. Cart-track from Venkatapura to Palacheru 33' wide and about $1\frac{1}{4}$ miles long passing along Survey Nos. 26 and 33 of Gundlapalli village and Survey No. 25 of Chigatagalutta village for men, cattle and carts. It enters the forest in the northern demarcation line about 1 chain west from the south-east corner of Survey No. 24 of Gundlapalli village and running south-west through Survey Nos. 26 and 33 of Gundlapalli and south through Survey No. 25 of Chigatagalutta quits the forest in the southern demarcation line 5 chains north-east from the north-west corner of Survey No. 67 of Peddarajapalli.

7. Cart-track 21' wide and 15 chains long from Gundlapalli to Venkatapur-Palacheru cart-track of item 6 for men, cattle and carts. This enters the forest in the western demarcation line in Survey No. 33 of Gundlapalli 19 chains north-east from the junction bondh of Survey No. 41 and 40 of Peddur village runs south-east and joins the said cart-track.

8. Foot-path 12' wide to the five different springs Thattiahana chilume, Suragu Solakka chilume, Erapparaddi chilume, Kondappa chilume and Chick Erappa chilume in Survey Nos. 26 and 33 of Gundlapalli village for a length of about $\frac{3}{4}$ of a furlong in each case to the east of Venkatapur-Palacheru cart-track (item 6) for men and cattle. These foot-paths branch from the said cart-track and run east to the springs.

9. Foot path 12' wide to the two springs in Survey No. 25 of Chigatagalutta village for about a length of one furlong to the east of Venkatapur-Palacheru cart-track for men and cattle. One of these branches off from the said cart-track and runs east to the spring Venkatappa chilume and the other runs north to Tatavandla chilume.

Right of Grazing.—Raiyats of Sherkankote village are allowed free grazing for about 50 horned cattle and 50 sheep during the grazing season, i.e., from 1st June to end of December.

Enclosures—Survey Nos. 68, 69 and 70 of Peddarajapalli village which are under cultivation are treated as enclosure.

No. G. 1471—Ft. 32-36-3, dated 15—29th August 1936.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st October 1936, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Villages	Area	Name of Block	Remarks

				667 11 or 1.04 sq. miles.		

Boundaries.

North.—Starting from a point about five chains south from the south-west corner of Survey No. 30 of Kasapura, the line runs east through Survey No. 29 of Kasapura for about 14 chains to a point about seven chains south-east to the south-east corner of Survey No. 31 of the same village; then north through Survey No. 28 of Kasapura for about 10 chains to a point about eight chains south-east from the south-west corner of Survey No. 27 of Kasapura; then south-east through Survey No. 28 of Kasapura for about seven chains to a point about eight chains south-west from the south-east corner of Survey No. 27 of Kasapura; then south-west through Survey No. 28 for about 12 chains to a point about eight chains south-west to the south-west corner of Survey No. 76 (Tank) of Midagesi; then south-east along the southern boundary of Survey No. 28 of Kasapura for about seven chains to the south-west corner of Survey No. 74 of Midagesi; then south-east through Survey No. 65 of Midagesi for about 31 chains in a straight line to a point about six chains south-east from the southernmost corner of Survey No. 74 of Midagesi; then north-east through Survey Nos. 65, 73 and 72 of Midagesi for about 15 chains to a point about six chains north-east from the easternmost corner of Survey No. 74; then north-west through Survey No. 72 of Midagesi for about 16 chains to a point about seven chains north-east from the easternmost corner of Survey No. 75 of Midagesi; then north-west through Survey No. 72 for about 14 chains to a point about five chains south-east from the southernmost corner of Survey No. 78; then north-east through Survey No. 72 for about eight chains to a point about five chains south from the north-east corner of Survey No. 78; then east through Survey No. 72 for about 36 chains to a point about seven chains south-west from the south-east corner of Survey No. 93 of Midagesi.

East.—Then south through Survey No. 72 of Midagesi for about 27 chains to a point about five chains west from the north-west corner of Survey No. 70; then south-west through Survey No. 72 for about 17 chains to a point about five chains north-west from the south-west corner of Survey No. 69 of Midagesi; then south-west through Survey No. 72 for about nine chains to a point about 10 chains west from the south-west corner of Survey No. 69; then north-west through Survey No. 72 for about 10 chains to a point about five chains north-west from the north-west corner of Survey No. 68; then south-west through Survey No. 72 to a point about five chains slightly north-west from the north-west corner of Survey No. 68; then south through Survey No. 73 for about 11 chains to a point seven chains south-west from the south-west corner of Survey No. 68; then south-west through Survey No. 65 for about six chains to a point about five chains, north-west from the north-west corner of Survey No. 66; then south-east through Survey No. 65 for about 30 chains straight to a point about five chains west from the southernmost corner of Annayanakere; then south-east through Survey No. 65 of Midagesi for about 24 chains and meets the common boundary between Midagesi and Chinnenahalli at a point about nine chains south-west from the south-west corner of Survey No. 63 of Midagesi; then east through Survey No. 40 of Chinnenahalli for about 23 chains to a point about five chains south from the south-east corner of Survey No. 63 of Midagesi; then south-east through Survey No. 40 of Chinnenahalli for about 25 chains to a point about five chains west from the north-west corner of Survey No. 70 of Chinnenahalli.

South.—Then west through Survey No. 40 of Chinnenahalli for about 42 chains to a point about seven chains north-east from the northernmost corner of Survey No. 41 of Chinnenahalli; then slightly north-west through Survey No. 2 of Katrajanahalli for about 23 chains to a point about eight chains west from the northernmost corner of Survey No. 160 of Brahmadevarahalli Kaval.

West.—Then north-west through Survey No. 137 of Brahmadevarahalli Kaval for about 27 chains to a point about five chains north-east from the north-eastern corner of Survey No. 154; then north-west through Survey No. 137 for about 50 chains to the easternmost corner of Survey No. 134; then the north-west through Survey No. 137 of Brahmadevarahalli Kaval and 23 of Kasapura for about 40 chains in a straight line to the starting point.

Remarks.—The following rights and privileges are permitted within the block:—

(1) Kannyarammanagudi and Masjid situated on the top of Midagesi Hill in Survey No. 73 of Midagesi with 10 yards of land all round will be retained as enclosures and the villagers of Midagesi are allowed to go to the said Temple and Masjid for worship throughout the year. Access is given by a foot-path two yards wide and 26 chains long through Survey No. 72, leading from the village from a point about 15 chains south-west from the south-west corner of the village site.

(2) The villagers of Midagesi are allowed.—

(a) to remove from the State Forest, dry fuel and bode grass, free of cost on head loads for their domestic use.

(b) to remove once a year junglewood for their agricultural implements on obtaining a free pass from the Local Range Officer.

No. G. 1476—Pt. 29-36-3, dated 15—29th August 1936.

The Government of His Highness the Maharaja Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st October 1936, the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Boundaries.

North.—Starting from a point 5 chains east from north-east corner of Survey No. 453 of Holur village the line runs east through Survey No. 257 of the same village for about 17 chains; then turns north-east and runs through the same survey number for about 43 chains and meets the southern boundary of the land of Mahal Jodi Marenahalli of Holur at a point about 13 chains south-east from the north-east corner of Survey No. 436 of the same village. Then the line runs south-east for about 18 chains along the southern boundary of Mahal Jodi Marenahalli land of Holur and turns due south runs along the western boundary of Survey No. 24 of the same village for about 13 chains to its southernmost corner and turns east and runs along the southern boundary of Survey No. 73 of Vadagenahalli village for about 43 chains and comes to a point 5 chains west from the south-west corner of Survey No. 72 of the same village; then turns south-east and runs through Survey No. 65 of the said village for about 20 chains parallel to the western boundary of Survey No. 61 and comes to a point about 5 chains west from the north-west corner of Survey No. 62 and runs due south through Survey No. 64 of the said village for about 15 chains parallel to the western boundary of Survey No. 62 and comes to a point about 5 chains west from the south-west corner of the same survey number of the same village; then turns south-east and runs through Survey No. 63 of Vadagenahalli and Survey No. 56 of Chagatur village for about 21 chains and meets the western boundary of Survey No. 54 of Chagatur at a point about 7 chains north-west from the north-west corner of Survey No. 58. Then runs due south for about 17 chains to the south-west corner of Survey No. 57 and runs south-east for about 8 chains along its southern boundary to its southernmost corner; then turns south-east and runs for about 24 chains along the western boundary of Survey No. 54 to its south-west corner; then it turns east along the southern boundary of Survey No. 54 of the same village for about 23 chains to its south-east corner and meets the western boundary of Survey No. 84 of Manjananagara village (Gold Fields area) and turning south-west; it runs along the western boundary of the same Survey No. 84 for a distance of 21 chains; then runs east along the southern boundary of the same Survey No. 84 for about 68 chains and comes to a point about 3 chains south from the south-west corner of Survey No. 83 of Manjananagara village.

East.—Then the line turns south-west and runs through Survey No. 2 of Kamasandra village for about 56 chains and meets the village boundary between Kamasandra and Varadapur-Nagereddihalli at the north-east corner of Survey No. 84 of the latter village and then runs north-west along the northern boundary of Survey No. 84 for about 7 chains to its north-west corner (Survey No. 84) and turns south-west and runs for 22 chains along the western boundary of the same Survey No. 84 of Varadapur-Nagereddihalli to the westernmost corner of the Survey No. 84 of the said village; and runs south-east along its western boundary for about 16 chains to its south-west corner; then south-west along the western boundary of Survey No. 61 of the abovenamed village to the north-west corner of Survey No. 106 of Pombarahalli; then south-west and south-east and again south-west along the western boundaries of this Survey Nos. and Survey No. 105 of the same village to the south-west corner of the last named Survey No.; then runs north-west along the northern boundary of Survey No. 102 to the north-west corner of the same survey number and turns

slightly south-west along the western boundary of Survey No. 102 to its south-west corner; then south-east along the southern boundary of the same survey number for about 6 chains; then turns south and runs along the western boundary of Survey No. 97 of the same village and meets the south-west corner of the same survey number and turns south-east and runs along the southern boundary of Survey No. 95 and 134 of Pombarahalli village and meets the south-east corner of Survey No. 134, i.e., the southernmost corner of Survey No. 93 (Tank) of Pombarahalli.

South.—Then the line turns south-west and runs along the common boundary between Jodi Gangarasanahalli and Tondal villages for about 50 chains and meets the trijunction bonds of Jodi Gangarasanahalli, Tondal and Manigatta villages and runs in the same direction through Survey No. 152 of Manigatta for 34 chains and meets the trijunction bonds of Manighatta and Inam Krishnarajapur and Vittapalli villages and runs north-west along the common boundary between these villages for about 18 chains and in the same direction through Survey No. 152 of Manighatta for about 21 chains and meets the junction bonds of Manighatta and Tondal villages about 20 chains south-east from the south-east corner of Survey No. 48 of Tondal village.

West.—Then the line runs due north through Survey No. 131 of Tondal village for a distance of about 37 chains to a point about 5 chains north-east to the easternmost corner of new cultivation in Survey 131 and turns north-west and runs for about 35 chains through the same Survey No. 131 of Tondal to a point about 30 chains east from north-east corner of Survey No. 27 of Tondal and runs north-west in a straight line through Survey No. 132 of Tondal and 192 of Naikanahalli for about 112 chains till it meets the south-east corner of Survey No. 76 Bennangur village and runs north and west along the eastern and northern boundary of the said survey number for about 18 chains and 17 chains, respectively, to its north-western corner and runs north along the eastern boundary of Survey No. 74 of the same village till it meets the village boundary between Bennangur and Holur villages at the north-east corner of Survey No. 74 of the former village. Then the line runs north and slightly north-east along the eastern boundary of Survey Nos. 427 and 280 of Holur village for about 48 chains to a point of about 12 chains south to the south-east corner of Survey No. 453 and running further north-east through Survey No. 257 of Holur village for 21 chains and the starting point.

The following concessions and existing rights of ways are allowed in the Block throughout the year:—

A. RIGHTS OF WAYS.

1. *Pombarahalli.*—Right of way to take cattle to the kunte in Survey No. 98 dug up by Bachappa—foot-path 6 feet wide and about 7 chains long open for men and cattle. It enters the Forest in the eastern demarcation line at a point about $1\frac{1}{2}$ chains south-west from the north-west corner of Survey No. 102 and runs north-west to the kunte.

2. *Chagatur.*—Cart-track 12 ft. wide and about 125 chains long open for men, cattle and carts from Chagatur to Pombarahalli. It enters the Forest on the northern demarcation line at a point 8 chains east from the south-west corner of Survey No. 54 of Chagatur village runs south and south-east in Survey No. 120, 121 and 122 of Chagatur, 2 of Kamasandra, 62 of Varadapur-Nagareddihalli and 100 and 101 of Pombarahalli and leaves the forest on the eastern Demarcation line at a point about 3 chains south-west from the south-west corner of Survey No. 106 of Pombarahalli.

3. *Vadigenahalli.*—Foot-path 6 feet wide and about 90 chains long from Vadigenahalli to Gangammanagudi in Survey No. 192 of Nayakanahalli open for men for worship. It enters the forest on the northern demarcation line at a point 17 chains north-west from the southernmost corner of Survey No. 24 of Vadigenahalli runs south through Survey Nos. 257 of Holur, 65, 64, 63 of Vadigenahalli and 75 of Bennangur and 192 of Nayakanahalli to the temple.

4. *Holur.*—Foot-path 6 ft. wide and $2\frac{1}{2}$ chains long for men and cattle for water from Holur to Gullappankunte in Survey No. 257. It enters the forest on the northern demarcation line at a point 15 chains south-east from the south-east corner of Survey No. 440 of Holur, runs south-east to the kunte.

5. Foot-path 6 ft. wide and 77 chains long from Holur to Gangammanagudi in Survey No. 192 of Nayakanahalli open for men for worship. It enters the forest on the western demarcation line at a point 13 chains south from the south-east corner of Survey No. 453 of Holur, runs south-east in Survey No. 257 of Holur, 75 of Bennangur and 192 of Nayakanahalli to the temple.

6. *Bennangur.*—Foot-path 6 ft. wide and 40 chains long for men and cattle for water from Bennangur to Erappankunte in Survey No. 75. It enters forest on the western demarcation line at a point 24 chains north-east from the north-east corner of Survey No. 77 of Bennangur runs north-east through Survey No. 75 to the kunte.

7. Cart-track 12 ft. wide and 90 chains long open for men, cattle and carts from Bennangur to Vadigenahalli *via* Holur. It enters the forest on the western demarcation line at a point about 30 chains north-east from the north-east corner of Survey No. 77 of Bennangur runs north-east through Survey No. 75 of Bennangur, 257 of Holur and leaves the forest on the northern demarcation line at a point about 20 chains east from the north-east corner of Survey No. 453 of Holur.

8. *Naikanhalli*.—Cart-track 12 ft. wide and 125 chains long open for men, cattle and carts from Naikanhalli to Kanivenkunte in Survey No. 75 and Gangamangudi in Survey No. 192. It enters the forest on the western demarcation line at a point about 28 chains north-east from the north-east corner of Survey No. 9 of the village and runs slightly north-east in Survey No. 192 of Naikanhalli and 75 of Bennangur to the gudi and kunte.

9. Cart-track 12 ft. wide and 108 chains long open for men, cattle and carts for worship from Naikanhalli to Bytarayangudi in Survey No. 122 of Chagatur. It enters the forest on the western demarcation line at a point 20 chains east from the south-east corner of Survey No. 7 of Naikanhalli runs north-east in Survey Nos. 192 of Naikanhalli and 122 of Chagatur to the gudi.

10. *Tondal*.—Foot-path 6 ft. wide and 71 chains long for men and cattle for water from Tondal to Benchikalkunte in Survey No. 131 of the village. It enters the forest on the western demarcation line at a point 22 chains north-east from the north-east corner of Survey No. 47 of the village, runs slightly south-east in Survey No. 121 to the kunte.

11. Cart-track 12 ft. wide and 57 chains long open for men, cattle and carts from Tondal to Pombarahalli. It enters the forest on the western demarcation line at a point 22 chains north-east from the north-east corner of Survey No. 47 of Tondal village runs slightly north-east in Survey Nos. 131, 132 and 98 of Pombarahalli and leaves the forest in the eastern demarcation line at a point 5 chains south from the north-west corner of Survey No. 97 of Pombarahalli.

12. (a) *Marigatta*.—Cart-track 12 ft. wide and about 80 chains long for men, cattle and carts from Marigatta-Pombarahalli. It enters the forest in the southern demarcation line at a point about 22 chains north-east from the north-east corner of Survey No. 86 of Marigatta runs north-east in Survey Nos. 152 of Marigatta and 131 of Tondal and 128 of Gangarsanpalli and leaves the forest in the southern demarcation line at a point about 7 chains south-west from the south-west corner of Survey No. 98 (Tank) of Pombarahalli.

(b) Cart-track 12 ft. wide and about 37 chains long open for men, cattle and carts from Marigatta to Gangarsanpalli. It enters the forest on the southern demarcation line at a point about 21 chains north-east from the north-east corner of Survey No. 86 of Marigatta runs east through Survey No. 152 of Marigatta and leaves the forest in the southern demarcation line at a point about 10 chains west from the northernmost corner of Survey No. 84 of Marigatta.

13. Foot-path 6 ft. wide and 30 chains long for men and cattle from Marigatta to Benchikalkunte in Survey No. 131 of Tondal. It branches from the cart-track from Marigatta to Pombarahalli 12 (a) about 30 chains from the demarcation line runs north-east to the kunte.

14 and 15. *Kamasandra*.—Foot-path 6 ft. wide and 107 chains long for men and cattle from Kamasandra to Hosakunte in Survey No. 2 of Kamasandra and on to Byatarayangudi in Survey No. 122 of Chagatur village. It enters the forest on the eastern demarcation line at a point about 19 chains west from the south-west corner of Survey No. 1 of Kamasandra runs west in Survey No. 2 of Kamasandra and Survey No. 122 of Chagatur to the kunte and the gudi, respectively.

16. *Chintamakanahalli*.—Cart-track 12 ft. wide and 180 chains long open for men, cattle and carts from Chintamakanahalli to Naikanhalli. It enters the forest on the northern demarcation line at a point about 9 chains south from the south-east corner of Survey No. 62 of Vadigenahalli runs south-west in Survey Nos. 56, 55 of Chagatur and 192 of Naikanhalli village and leaves the forest in the western demarcation line at a point 18 chains north-east from the south-east corner of Survey No. 6 of Naikanhalli.

Pombarahalli.—Hoskote Bychappa is permitted to enjoy the usufructory right over the Nerile and other trees planted by him on the border of the kunte in Survey No. 98 of the village.

No. G. 1481—Ft. 35-36-3, dated 14—29th August 1936.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation XI of 1900, that from the 1st October 1936, the

area, the boundaries of which are set forth in the Schedule given below, shall be deemed to be a "State Forest," subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Villages	Area	Name of the block	Remarks
Kolar	Kolar	Vemagal Sugatur	Devarahalli Kadripur Sithappanahalli Pindapapanahalli Settimadamangala	A. G. 678 22 or 1.06 Square miles.	Kadaripura Block.	This block is situated at a distance of about 10 miles north-west to Kolar and 8 miles from Sugatur to the south of Madanahalli Village Forest and to the west of Madamangala Village Forest.

Boundaries.

North.—Starting from the junction gadi bondhs of Madanahalli and Jodi Inam Jambapura Villages, the line runs east along the southern boundary of Jodi Inam Jambapura for about 59 chains and meets the south-west corner of Madanahalli Village Forest; then the line runs north-east, south-east; again north-east and south-east along the southern boundary of the said village forests; then turns north and runs along the eastern boundary of the same village forest and meets the junction gadi bondhs of Madanahalli and Settimadamangala Village Forests.

East.—Then the line turns south-east and runs along the southern boundary of Madamangala Village Forest for about 34 chains to a point about 7 chains north-west from the north-west corner of Survey No. 15 of Settimadamangala and turns southward and runs through Survey No. 78 of Settimadamangala for about 62 chains passing along the western boundary of Survey No. 140 on its way, till it comes to a point about 5 chains north of the north-west corner of Survey No. 3 of Settimadamangala Village.

South.—Then the line turning south-west runs for about 4 chains and turns west and runs for about 11 chains through the same Survey No. 78 of Settimadamangala, crossing the village boundary between Pindapapanahalli and Settimadamangala Villages; turns north for about 16 chains and then turning north-west runs for about 13 chains through the same survey number and the village boundary between the above said two villages; then turning north-west runs through Survey No. 17 of Pindapapanahalli and Survey No. 1 of Sithappanahalli for about 72 chains, comes to a point about 7 chains from the north-west corner of Sithappanahalli village, site (Gavtana). Then the line turns south and runs for about 26 chains through Survey No. 1 of Sithappanahalli crossing the village boundary between Sithappanahalli and Kadaripur villages; then runs west through Survey No. 38 of Kadaripur for about 8 chains and turns south-west in the same survey number till it meets the north-west corner of Survey No. 36 of Kadaripur Village and then turns west, south and east skirting for 11, 7 and 5 chains respectively round the Hiduvali land in Survey No. 38; then turns south-west and meets the north-east corner of Survey No. 41 of the same village; then the line turning north-west runs through Survey Nos. 38 of Kadaripur Village and 27 of Devarahalli Village for about 46 chains and crossing the foot-path from Devarahalli to Gumlapura runs in western direction for about 42 chains in the same Survey No. 27 of Devarahalli village and meets the village boundary of Madanahalli at a point about 8 chains slightly north-west of the north-west corner of Chikka Gulegankere.

West.—Then the line turns slightly north-east and runs along the eastern boundary of Madanahalli for about 17 chains and meets the starting point.

Remarks.

The following rights of way and concessions are allowed in the Block:—

1. Cart-track from Kadaripur to Madanahalli 12 feet wide about 18 chains long open for men, cattle and carts throughout the year. It enters the forest in the southern demarcation line at a point about 5 chains north from the north-west corner of Survey No. 15 of Sithappanahalli Village, runs north through Survey No. 1 of Sithappanahalli Village and leaves the forest in the northern demarcation line at a point about 43 chains east from the junction bondhs of Jodi Inam Jambapura, Madanahalli, Sithappanahalli and Devarahalli.
2. Cart-track from Jambapura to Kadaripur-Madanahalli cart-track 12 feet wide 42 chains long open for men, cattle and carts throughout the year. It enters the forest in the northern demarcation line at a point about 8 chains from the junction bondhs of Jambapura, Devarahalli, Sithampalli and Madanahalli Villages and runs due east through Survey No. 1 of Sithappanahalli till it meets the cart-track No. 1.

3. Foot-path from Jambapura to Devarahalli 3 feet wide 27 chains long open for men and cattle.

It enters the forest in the northern demarcation line at the junction bonds of Jodi Inam Jambapura, Madanahalli, Sithappanahalli and Devarahalli runs south-west for about 30 chains in Survey No. 27 of Devarahalli and leaves the forest in the southern demarcation line at a point about 5 chains north-east from the north-east corner of Survey No. 24 of Devarahalli.

4. Foot-path from Settimadamangala to Jambapura 3 feet wide 80 chains long open for men and cattle throughout the year.

It enters the forest in the eastern demarcation line at the north-west corner of Survey No. 140 of Settimadamangala Village and runs due west through Survey Nos. 78 of Settimadamangala, 17 of Pindapapanahalli and 1 of Sithappanahalli Villages till it joins the cart-tracks Nos. 1 and 2.

Other Concessions.

1. The villagers of Seethampalli and Kadaripur are allowed to graze their cattle except goats free of seigniorage in the block.
2. One old katte included in the block in Survey No. 1 of Sithappanahalli may be repaired at Government cost and open for use by the villagers.

No. G. 1486—Pt. 34-36-3, dated 14--29th August 1936.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under Section 17 of the Mysore Forest Regulation, XI of 1900, that from the 1st October 1936 the area, the boundaries of which are set forth in the Schedule appended to this notification, shall be deemed to be a "State Forest" subject to the exercise of rights specified at foot thereof.

Schedule.

District	Taluk	Hobli	Villages	Area	Name of Block	Situation
				A. g.		
Tumkur	Turuvekere Sub.	Mayasandra	Ramasagara	103 16	Ramasagara Block	This block is situated at a distance of about four miles south of Mayasandra on the right side of the Mayasandra-Yadiyur Road.
			Baitharahosahalli	184 00		
			Varahasandra	151 00		
			Vithalapura	350 11

			Dodbeerankere	576 13		
Mysore	Nagamangala	Bellur	Byaladakere	556 00		
			Total	2,309 36		
				or		
				3 60 Sq. miles.		

Boundaries.

North.—Starting from a point about 10 chains south-east from the south-west corner of Survey No. 37 of Ramasagara village, the line runs north-east through Survey No. 36 of Ramasagara village in a straight line for about 43 chains to a point about 10 chains south-west from the south-western corner of Survey No. 63 of Baitharahosahalli village on the common boundary of Ramasagara and Baitharahosahalli; then south-east through Survey No. 66 of Baitharahosahalli in a straight line for about 47 chains to a point about 11 chains south-west from the westernmost corner of Survey No. 149 of Varahasandra on the common boundary of Baitharahosahalli and Varahasandra villages; then east through Survey No. 148 of Varahasandra for about 13 chains to the southernmost corner of Survey No. 149 of Varahasandra; then north-east along its eastern boundary to its north-east corner; then south-east through Survey No. 148 of Varahasandra in a straight line for about 53 chains to the north-west corner of Survey No. 114 of Vitalapura.

East.—Then south-west along the common boundary of Varahasandra and Vithalapura for about 24 chains; then slightly south-west through Survey No. 113 of Vithalapura in a straight line to a point about 10 chains west from the north-west corner of Survey No. 135 of Hanchihalli; then east along the common boundary of Vitalapura and Hanchihalli to the north-west corner of Survey No. 135 of Hanchihalli; then south-west and south along the western boundary of Survey Nos. 135, 121, 119 and 116 of Hanchihalli for about 75 chains to the south-west corner of Survey No. 116 of the same village.

South.—Then west along the northern boundary of Bettakote for about 18 chains to the south-east corner of Survey No. 117 of Hanchihalli; then slightly north-west along its eastern boundary to its north-east corner; then north-west along its northern boundary to

its northernmost corner; then south-west and south along its western boundary to its south-west corner; then north-west along the northern boundary of Survey No. 61 for about 95 chains to a point about 5 chains south-east from the north-east corner of Survey No. 87 of Byaladakere.

West.—Then north-west through Survey Nos. 60 and 59 of Byaladakere for about 63 chains in a straight line to a point about 10 chains south-east from the south-east corner of Survey No. 101 of Dodbeerankere; then north through Survey Nos. 102 and 55 of Dodbeerankere for about 27 chains to a point about 5 chains east from the south-east corner of Survey No. 100 of Dodbeerankere; then north-east through Survey No. 55 for about 33 chains to the south-west corner of Survey No. 51 of Dodbeerankere; then east along its southern boundary to its south-east corner; then slightly north-east through Survey No. 48 of Dodbeerankere for about 36 chains to the starting point.

Remarks.—The following rights and privileges are admitted in the block:—

Rights of way.—Through the undermentioned paths:—

- (1) Foot-path from Dodbeerankere to Vithalapura—2 yards wide and 140 chains long open for men and cattle throughout the year. It enters the forest in its western boundary at a point about 1 chain north-east from the north-east corner of Survey No. 51 of Dodbeerankere, runs south-east through Survey Nos. 48 and 55 of Dodbeerankere, and 112 and 113 of Vithalapura and quits the Forest in its eastern boundary at a point about 16 chains north-west from the south-west corner of Survey No. 118 of Vithalapura.
- (2) Foot-path from Ramasagara to Gokatte in Survey No. 36 of the same village 2 yards wide and 4 chains long open for men and cattle for water throughout the year. It enters the forest in its northern boundary at a point about 19 chains north-east from the starting point of the forest boundary line runs south-east through Survey No. 36 till it reaches the said Gokatte.
- (3) Foot-path from Byaladakere to Hanchihalli—2 yards wide and 94 chains long open for men and cattle throughout the year. It enters the forest in its southern boundary at a point about 33 chains north-west from the south-west corner of Survey No. 117 of Hanchihalli, runs north-east, south-east and north-east through Survey No. 60 of Byaladakere, and 118 of Hanchihalli and quits the forest in its eastern boundary at a point about 5 chains north from the north-western corner of Survey No. 119 of Hanchihalli.

II. Rights of way to the undermentioned shrines with 4 acres of land around the temples are admitted for worship throughout the year

- (a) Veerabhadradevarugudi situated on the top of the Hill in Survey No. 66 of Baitharahosahalli.

Access is given by a foot-path 2 yards wide and 4 chains long running south-east through Survey No. 66 of Baitharahosahalli.

- (b) Mutharayanagudi situated in Survey No. 118 of Hanchihalli.

Access is given by the existing foot-path leading from Hanchihalli to Byaladakere.

By Order,

M. VENKATANARANAPPA,
Secretary to Government,
Development Department.

RAILWAY SECRETARIAT

No. R. S. 420-21, dated 1st September 1936.

Under Section 31 of the Mysore Railway Regulation IV of 1894, the Government of His Highness the Maharaja of Mysore are pleased to direct that the following amendments be made to the General Rules for working Open Lines of Railways published with their Notification No. R. S. 2010, dated 25th January 1930, and to sanction the adoption of the Rules as amended on the Railways over which the Mysore Government have jurisdiction.

By Order,

B. T. KESAVIENGAR,
Secretary for Railways,
Government of Mysore.

In Part I of the said rules in Rule 90—

- (1) For sub-rule (a) the following sub-rule shall be substituted, namely:—

“(a) No train shall take a turn-out or cross-over road, or run over non-interlocked facing points, at a speed exceeding ten miles an hour”.

- (2) In sub-rule (b) for the words “A train” the words letter and brackets “Subject to the provisions of sub-rule (a) a train” shall be substituted.
